

Remarks

The Notice of Drawing Inconsistency with Specification mailed on January 16, 2007 indicated that Figures 7D and 9D were contained in the Drawings, but were not listed in the Brief Description of the Drawings. A courtesy copy of the Notice is attached hereto. Accordingly, the Brief Description of the Drawings has been amended to describe Figures 7D and 9D. No new matter has been added by the amendments above. Support for the amendments can be found, for example, in the specification at page 8 lines 8-17, at page 8 line 27 to page 9 line 3, at the originally submitted Figures, and in the formal drawings submitted on December 21, 2006.

Conclusion

The Brief Description of the Drawings has now been amended to add reference to Figures 7D and 9D. Applicants believe that the issues raised in the Notice of Drawing Inconsistency with Specification have now been addressed, and that the application as currently amended is in condition for issuance.

Applicants believe that no fee is currently due in conjunction with this submission. The Commissioner is, however, hereby authorized to charge any fees which may be required, or credit any overpayment, to Account No. 13-0017, in the name of McAndrews, Held & Malloy, Ltd.

Respectfully submitted,
